IMPORTANT NOTICE FOR EXHIBITORS PLANNING ON SAMPLING FOOD OR BEVERAGE:

Will you be sampling food or beverages? If yes, please describe

Due to Vancouver Health Authority requirements for washup facilities for exhibitors handling and sampling food, booth location for such exhibits will be restricted to areas where wash-up sinks will be available, these booths are marked with 'w' on floor plan.

It is imperative that exhibitors establish from the very start their plans for what they will be exhibiting and how they wish to promote those products.

If an exhibiting company intends to sample food, they must locate within a booth/exhibit which backs onto a wash-up corridor as indicated on the floor plan. Failure to do so will result in the exhibitor having to bear the cost of installing their own sink within their own exhibit to satisfy Vancouver Health Authority requirements.

In the event that an exhibitor makes changes to his product lineup, or the method of exhibiting, i.e. decides to sample food after declaring on the contract that he was not going to sample, show management will be required by the Vancouver Health Authority to move such exhibits to an area where washup sinks are available. If there are no such locations available at the time the exhibitor changed his plans, the Health Inspector will disallow the sampling of the new product(s).

PLEASE ENSURE YOU HAVE LOCATED IN AN APPROPRIATE BOOTH FOR THE INTENT OF YOUR EXHIBIT, AS IT MAY NOT BE POSSIBLE TO CHANGE TO AN APPROPRIATE LOCATION AT A LATER TIME.
